1. The attached proposed Regulations **"Periodic Physical Examinations of Overseas Personnel,"** are forwarded for publication.

2. The following should be incorporated in your record of concurrence:

25X1A9A

Chief of Operations, Office of the Deputy Director (Plans), requested that paragraph 4. be amended to allow greater flexibility. Dr. Tietjen drafted the attached suggested revision which was presented to General Cabell for his consideration. General Cabell declined to approve of the suggested revision and approved of paragraph 4. as written, unless **decided to talk to him personally** about it. I discussed this with **who did not desire to pursue the matter** and approved of publication of the Regulations.

I also advised General Cabell of Mr. Kirkpatrick's non-concurrence because of his objection to using a new Regulation retroactively to take care of any case now under consideration. General Cabell assured me that he had no intention whatever of doing this and that this Regulation was to put our house in order for future cases. I have advised Mr. Kirkpatrick of this and he has also agreed to publication of the Regulations.
